

## **The way of international integration of Kazan Federal University**

Kazan Federal University is one of the oldest universities in Russia. Today one of the main tasks of the University is development of strategic partnership and networking with leading international organizations. The main part of international agreements provides opportunities for cooperation on a wide range of areas: academic exchanges; joint educational programmes; joint scientific researches; conferences, summer schools; joint scientific centers, laboratories etc. The large number of foreign partners and active cooperation with them has necessitated the development of information technology search platform "Global cooperation database". It allows storing, organizing and finding information on international cooperation of the University.
