Internationalizing SHVS in Tarnów, Poland

The poster aims to present the strategy of internationalisation adopted at SHVS in Tarnow, Poland. The main assumptions that were set out 2 years ago are presented. The steps undertaken to realise the targets as well as resulting levels of internationalisation are depicted, both on institutional and department levels. Strategic projects coordinated or partnered by SHVS such as HAPPHE, BuildPHE, TECHNO TN, EC2E2N are included. Finally, some future developments, either planned or being undertaken at present, are presented.
